

Measurable Impact

Mason County collected a total of **45,200 lbs.** of hazardous waste in 2018!

HHW totals include:

Hazardous waste:	14,907 lbs.
Oil, batteries, & electronics:	22,010 lbs.
Pesticides:	1,864 lbs.
Oil-based paint:	6,213 lbs.
Pharmaceuticals:	208 lbs.

Thank you for doing your part!

Safe disposal of hazardous waste not only protects our local natural resources but also our health.

Donations are crucial to help cover the \$60,000 it takes to host this 3-county event annually.

A suggested minimum donation of \$10 is appreciated!

Tips for Safe Transport:

- ◇ Keep items in their original and labeled containers
- ◇ Do not mix contents of unknown or unlabeled containers
- ◇ Do not transport containers with open lids
- ◇ Secure all containers so they cannot slide, tip or spill contents; away from passengers
- ◇ 55 gallon drums must be removed from premises by producer

Volunteers Appreciated

This collection is a service to the community and it takes many volunteers on the day of the event to ensure this program continues.

We are looking for dedicated participants! Volunteers are needed to collect surveys, direct traffic, unload vehicles, and sort electronics. If you would like to be involved, please contact Mason-Lake Conservation District.

Volunteers must be 18 years or older

Clean Sweep is made possible by a strong and unique state, federal, local, and industry partnership.

Thank you to Michigan Department of Agriculture's Clean Sweep Program, the Household Hazardous Waste Committee, and contributions from local county governments including townships, villages, and cities within your county.
