Tenant Name (if applicable): _____

Tenant Telephone: _____

Special Instructions Regarding Property Access (landscape features, animals, gates, preferred access times, etc.)

The undersigned ("Landowner"):

1. Authorizes Mason-Lake Conservation District ("MLCD"), and their respective authorized agents and contractors, to enter and cross the above-described property ("Property"), during the period from December 1, 2020 to April 30, 2021, for the purposes of surveying the Property for eastern hemlock trees, the presence of hemlock woolly adelgid and elongate hemlock scale, and for evaluating and inspecting this surveying work (collectively, "Survey Work").
2. Agrees that the information collected from the Survey Work on the Property may be used by MLCD and the Michigan Department of Natural Resources ("DNR") for any non-commercial purposes and will be public information.
3. Release MLCD and the DNR from all claims, damages, liabilities, losses and costs to the Landowner that may arise or result from the presence of MLCD and their authorized agents and contractors on the Property, and their performance of the Survey Work.
4. Represents, for the benefit of MLCD, and DNR, that the undersigned owns the Property, and has the requisite authority to grant the authorizations provided in this document and to sign this document without the need for approval from any other party, or if any such approvals are needed they have already been obtained.

Landowner acknowledges that they have read the terms of this document and agree to the stated terms.
